

Knit 'n' Natter is Celebrating 10 years with Harp Karaoke by Maya MacAdam Thursday 23rd October 2025 12 noon – 2pm

The Knit 'n' Natter is extending an open invitation to all those who have supported, popped in and joined the group over the past ten years.

To celebrate ten years of good company Maya will be providing us with Harp Karaoke - come and ask for any request from Bach to Bacharat to The Beatles!

As part of the knitting group Maya is known for her confident knitting, great baking, love of cats and of course the harp!! Along with her mother Fiona, they are our first Mother and Daughter duo.

Maya is an award-winning harpist, violinist, and singer-songwriter. Her work draws on both classical music along with traditional Scottish culture.

Her clàrsach trio 'The Willow Trio' have performed at St Brides and will be releasing their second album 'The Bestiary' in February 2026, with a new single being released October 2025.

Maya is thankful to St Bride's Church for their support in providing practice and recording space during her various projects, but most recently during her writing and recording of her Master's Songwriting project album.
